

Green Month

Three Neighborhood Challenges

Pick your challenge or do all three!

1, 2, 3, then look to the right to see how to get your reward>>>>>>>>

1

GREEN TIME VS SCREEN TIME

This challenge is best for families with kids or for the young at heart, but anyone can join. Challenge yourself and family members to spend more time outdoors and less time on screens. Studies show that by getting more green time, you can lessen some of the negative effects of screen time. Download and print the coloring sheets or let us know you need some. Color a letter for each hour you spend outdoors.

2

DISCOVER YOUR NEIGHBORHOOD SCAVENGER HUNT

Take a photo at each spot and post:

1. Five different leaves.
2. Strike a pose at the Neighborhood Gardens
3. Hang upside down or make a silly face at any of the playscape.
4. Pretend to be entrenched in a serious game of chess at the chess boards.
5. Stand on top of a hill at the BMX bike track.
6. Take a picture on the bridge and windmill at the Walker House.

3

PROPERTY IMPROVEMENT PROJECT

Working hard on your outdoor home improvements this month? Making an outside space that is enjoyable for you and your neighbors makes us all want to get outside a little more. This could be front yard or backyard, just as long as your property improvement project is outside this month. Take before and after photos of your yard and show us how you are making Block House Creek beautiful!

Go Play Outside!
Bring your colorful art to the Walker House on Sat morning, 24th of April to claim your prize while supplies last, one per family.

Take photos at all the hot spots!
Post your scavenger hunt pics on the BHC OA Facebook Page!
